Classroom News

We are learning so much about Daily Living Skills, Functional Reading Skills, Functional Math Skills, and Social Skills!

Classroom “Motto”

“Differences make us unique!!”

By working cooperatively in a positive learning environment, our **CLASS MISSION** is to:

Learn how our **DIFFERENCES** are what make us **UNIQUE!** Every person can learn, and every student in this classroom **WILL** learn. Our learning may appear **DIFFERENT**, but is **UNIQUE** and **IMPORTANT!**

Happy October!!!

Our classroom operates as a community, so we share community classroom supplies. If you ever feel inclined to donate tissues, markers, crayons, paper towels, etc. we would appreciate the generosity. Thank you!
